MCL Announces Small Business Time-Study Product

Making SMART Solutions Affordable to the Little Guy

FREDERICKSBURG, VA (July 20, 2014) – MCL & Associates, Inc. (MCL), a leader in Business Process Improvement, today announced the its SMART Small Business™ Time-Study Product.

For the first time, management consulting services are realistically within the reach of small and medium-sized businesses. Priced at a Firm-Fixed-Price of \$500, the service includes training for the individual business-owner, a written analysis of the collected data with Way-Forward, next-step recommendations, and a project close-out session to review the analysis and to answer any questions.

MCL is a woman-owned small business, specializing in analysis, support and training for Business Transformation, Process Improvement, Six Sigma, Change Management, as well as various ancillary program and project services for government, health care, and banking.
